ABOUT

IMENTORU FOUNDATION

The iMentorU Foundation is a registered youth development and mentorship non-profit organization and non-profit company, dedicated to empowering and guiding young individuals through mentorship and training. By connecting experienced professionals / mentors with students / mentees and young adults, iMentorU aims to bridge the gap between education, career readiness, talents, awareness and wellness, fostering personal, professional growth and talent exposure. The foundation's programs emphasize the importance of one-on-one and group relationships, providing mentees with the support, resources, and encouragement they need to achieve their goals. Through workshops, networking events, personalized mentoring sessions, short and subscribed programmes, iMentorU strives to create a community of lifelong learners and leaders who are well-equipped to navigate the complexities of the modern world.

We exist for the better Inspiration, Leadership, Success, Change, Fun, Problem Solving, Independency and Support to the children and youth. We aim to be the leading positive influential organisation globally, that impact mostly on the unprivileged youths. We are not to compete with any related organisations but to connect, collaborate, promote and build strong relationships to better empower and inspire the young groups.

THE HISTORY

THE BEGINNING

iMentorU Foundation NPO/NPC was established in 2017 September, by Mr. Tinyiko Miracle Mabale; And was officially registered in 2019, under the South African Department of Social Development (DSD) in terms of the Nonprofit Organisation Act, 1997, with NPO registration number: **226-810 NPO**, and under the Commissioner of Companies & Intellectual Property Commission (CIPC), as defined in the Companies Act, 2008; with NPC registration number: **2019/194097/08**. We are a **B-BBEE Level 1 Contributor: 135%** Procurement recognized organisation.

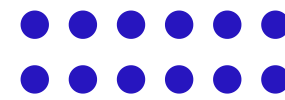

The initiation of the foundation was with the purpose and passion of helping young people in developing areas, but as the organisation grew, we saw the need to accommodate every young individuals who are in need - globally, who are clueless about the strategies of life, careers, education, talents and skills, to develop the greatest mindsets, to positively influence, change, empower, guide, support, teach, motivate, inspire and mentor more youth in a form of youth development and mentorship. Our target groups ranges between the ages of 8 – 35 years, which includes but not limited to individuals who are:

Living with disabilities; Creative; Innovative; Unprivileged; Talented & Skilled

THE PROGRAMME PILLARS

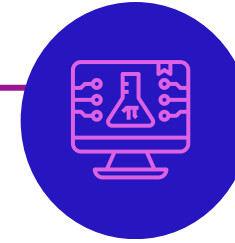

EDUCATIONAL SUPPORT

We assist with educational researches, assignments, exam preparations and higher education applications for learners and students from primary, secondary to tertiary level.

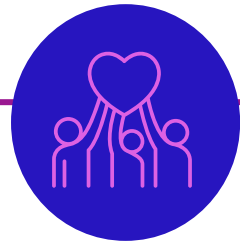

CAREER MENTORSHIP & TRAINING

We take youth through processes and make sure we guide, support, inspire and empower them, we do our best to partner with more related organisations that focus more in teaching, training, mentoring, developing, empowering and inspiring youth.

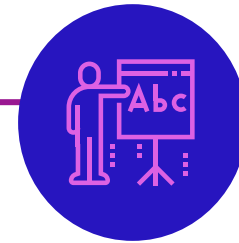

STEAM EDUCATION

We expose youth to the world of science, technology, engineering, problem solving and agriculture. STEAM education helps young people in self-discipline thinking capacity, and sharp mindset to decision makings

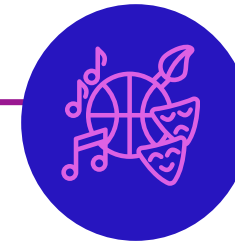

COMMUNITY & SOCIAL DEVELOPMENT

We identify areas where there are unprivileged youths, understand what their needs are, we approach organisations, businesses, individuals to assist us with resources, finances, support and offer counseling.

LANGUAGE LEARNING

We give youth opportunities to unleash their creativity and broadening their linguistic skills by guiding them on how to express their thoughts, feelings and actions better through the use of words as it helps prepare them to confidently face the real world.

SPORTS, RECREATION, ARTS & CULTURE

We offer young people opportunities to show their talents and all we do is expose, support and empower them, we ensure their dreams are followed and paid attentions to, there are many activities that young people get interested to and doing what you love brings out the fun to us.
